

# CHRISTMAS

## SCAVENGER HUNT

### HOW TO PLAY:

1. Grab your friends and family and team up in pairs.
2. Each pair needs a cellphone or a tablet.
3. Find as many clues as you can under one hour and take a selfie with each.
4. Have fun!

|---|---|
| <input type="checkbox"/> It's round and hung on a tree.                                   | <input type="checkbox"/> A white and red cane-shaped candy.                                 |
| <input type="checkbox"/> It rings and jingles.  | <input type="checkbox"/> He comes to life on Christmas Eve and battles the evil Mouse King. |
| <input type="checkbox"/> Found on top of a tree or in the sky.                            | <input type="checkbox"/> Used to glide on snow.   |
| <input type="checkbox"/> He's green and hates Christmas.                                  | <input type="checkbox"/> It's warm, tastes like chocolate and has marshmallows.             |
| <input type="checkbox"/> You shake it to make snow fall.                                  | <input type="checkbox"/> A black and white bird that can't fly.                             |
| <input type="checkbox"/> Comes on a string, in many colors, and we turn them on at night. | <input type="checkbox"/> It's made with snow and has a carrot for a nose.                   |
| <input type="checkbox"/> Works at Santa's toy shop.                                       | <input type="checkbox"/> You receive a kiss underneath it.                                  |
| <input type="checkbox"/> They fly and pull a sleigh.                                      | <input type="checkbox"/> It's wrapped and you can only open it on Christmas morning.        |
| <input type="checkbox"/> They're worn on your hands to keep you warm.                     | <input type="checkbox"/> They fall from the sky and no two are alike.                       |
| <input type="checkbox"/> It's made of gingerbread and candy.                              |   |
| <input type="checkbox"/> He delivers presents to children.                                |   |
